## Accident / Damaged Vehicle

SITUATION	ACTION
<i>When reporting accident, weather, or vandalism damage</i>	<p>Notify the Director of Business Services of circumstances surrounding the accident.</p> <p>Complete an accident report form and return it to the Director of Business Services within 24 hours. <a href="#">Report forms</a> are available from the Agency website or the Director of Business Services (ext. 6704).</p> <p>Auto insurance identification cards are kept in each Agency vehicle.</p> <p>Vandalism will require police reporting through the Director of Business Services (ext. 6704).</p>

## Account Number Use and Corrections

SITUATION	ACTION
<i>Account number updates</i>	Support staff (i.e., administrative assistants, media work areas) have a list indicating the account number(s) to use for typical activities and projects. These account numbers will be used for internal and external charges. If new projects/grants are identified, please contact the Director of Business Services, (ext. 6704), for identification of an account number.
<i>When business services makes account number corrections</i>	Administrative assistants will be notified via e-mail of account number changes made in business services that affect them. The need for notification will be determined based on the circumstances cited in the following situation boxes.
<i>When business services needs to charge an expense to a totally different account than the originator intended</i>	Business services will contact the originator to notify/discuss the account change.
<i>When business services changes the object code digits of an account number on paperwork</i>	The three-digit coding will be changed and business services will note the change on the copy of the purchase order that is returned to the originator.
<i>When purchase orders for equipment purchases indicate a "700's" object code, but the actual invoice does not exceed \$1,000.00.</i>	<p>The three-digit coding will be changed and business services will note the change on the copy of the purchase order that is returned to the originator. The 700 -series object codes are reserved for <u>GWAEA</u> inventory items only. (See Inventory-Equipment section of this manual.)</p> <p>If the PO has already been returned, an email will be sent.</p>
<i>When claims made on the online reimbursement claims system reflect inaccurate object code digits within the account number</i>	The three-digit coding will be changed. Business services will <u>not</u> notify the originator.
<i>When resource agreements will be paid through payroll (100's object code series), rather than from the 300's object code series (or vice versa)</i>	The three-digit coding will be changed. Business services will <u>not</u> notify the originator.

## Account Number Use and Corrections

SITUATION	ACTION
<p><i>When an employee discovers that an incorrect account number was used on a purchase order, internal charge, or revenue deposit</i></p>	<p>Contact accounts payable technician (ext. 6707) to determine if the purchase order has been paid or the revenue deposited. <u>If it has not already been paid or deposited</u>, the account number can be changed per the telephone contact.</p> <p>If it <u>has</u> already been paid, then forward to business services either --</p> <ul style="list-style-type: none"> <li>• a memo or e-mail requesting a journal entry correction</li> </ul> <p><b>or</b></p> <ul style="list-style-type: none"> <li>• a screen printout from the internet financial system documenting payment from the incorrect account. Then indicate the account where you really wanted the expense to be charged (or the revenue account where you wanted funds to be deposited).</li> </ul> <p>In either case, the information should include:</p> <ul style="list-style-type: none"> <li>- a brief description of the situation</li> <li>- the purchase order number (if applicable)</li> <li>- the vendor name</li> <li>- the dollar amount</li> <li>- the account number originally used</li> <li>- and the account number that you wish to be used instead</li> </ul> <p>Expense and revenue account number changes can be made only within the fiscal year of that activity. For example, if an expense or revenue is charged to an incorrect account, the correction must be made within that same fiscal year.</p>

## Added Days

SITUATION	ACTION
<p><i>When time is to be compensated in addition to days outlined in an employee's contractual agreement with Grant Wood AEA</i></p>	<p>Added days is a term referring to time worked by contracted employees, in addition to their contractual agreement, that is to be compensated. Because added days are considered temporary/substitute, seniority and experience credit on the salary schedule are not applicable. A request for added days is initiated by the regional administrator/supervisor and is then forwarded to the appropriate Director of Teaching &amp; Learning. Final approval by Associate Chief Administrator to follow. Application forms and specific instructions are available from regional administrator's administrative assistants, on the GWAEA website, or the executive assistant, (ext. 6801). Because additional days must be approved by the Board before the hours are worked, preplanning is necessary.</p> <p>Following are <u>general</u> instructions for requesting and processing added days.</p> <p>The employee and supervisor identify the need for added days and submit request. Examples of rationale for added days might be</p> <ul style="list-style-type: none"> <li>- significant additional time needed for unexpected projects that cannot be completed during regular work hours or calendar adjustments;</li> <li>- requirements to provide extended year services to students;</li> <li>- requests from local schools or other associated agencies to purchase an employee's time, therefore resulting in a need for the employee to work additional hours beyond their contractual agreement.</li> </ul> <p>After the added days have been approved by the Board, each person approved to work added days will be sent an Additional Days Calendar to complete and submit to their manager.</p> <p>Persons working added days must complete Added Days time cards. They must have the appropriate funding source (budget number) and name of program/project on them, be signed by the appropriate regional administrator, and then forwarded to the Associate Chief Administrator's office.</p> <p>The executive assistant will verify approval, log the time worked, initial the time card and forward to payroll for payment.</p> <p>The payroll/benefits specialist will pay the employee the added days on the next payroll processing cycle.</p>

## Address Change of Employee

SITUATION	ACTION
When employee personal contact information changes	Please see <a href="#">Employee Self Service (ESS) System</a> to update your personal contact information

## Agency-Directed Travel

SITUATION	ACTION
<p><i>General description</i></p> <p><i>Required forms to attend</i></p> <p><i>Guidelines for Travel:</i></p> <p><i>Des Moines or Ames Area Travel</i></p> <p><i>Required forms to be reimbursed</i></p>	<p>Agency-directed travel includes those activities outside AEA 10 that an Agency manager directs an employee to attend. The activities align with an Agency-supported initiative/priority and the employee attends in the specific role of an Agency representative. Common examples include state meetings/conferences.</p> <p>(Professional Leave, on the other hand, relates to those activities in or outside of AEA 10 that an employee requests to attend and submits application for attending. Professional Leave activities promote professional growth and support individuals in their roles as Agency employees. Common examples include conference events, GWAEA Professional Development events, job-related purchases identified in the Master Contract. Please see the Professional Leave section.)</p> <p>Employee is to submit an Agency-Directed Travel Request available online through the <a href="#">Employee Self Service (ESS) System</a>. The request is to be submitted 5 Agency days in advance, when possible.</p> <p>When estimating meal expenses, the GSA per diem rates are to be used (a link to these rates is available on the Reimbursement Claims system). These amounts are to be provided on the form even when a grant/contract may reimburse the Agency for the expense.</p> <p>When more than one employee will be traveling Agency-directed, employees are to coordinate the travel and carpool whenever possible. Mileage will be reimbursed for the employee who drives his/her personal vehicle.</p> <p>For out-of-state travel, airfare will be reimbursed at a reasonable and customary rate. Employees are expected to make a concerted effort to obtain the lowest available fare at the time of travel authorization. If a personal vehicle is used in lieu of air travel, the lower expense rate, based on the lowest available fare at the time of travel authorization, will be eligible for reimbursement (<a href="#">Admin Regulation 7381A</a>).</p> <p>When making reservations for lodging, employees are to request the “state rate.” Most hotels will ask to see a government ID upon arrival to confirm eligibility for the state rate and the GWAEA ID badge has generally been accepted for this purpose. If this is not accepted, the hotel may contact the Agency Business Office at 1-800-332-8488, (ext. 6707) or (ext. 6704), for authorization.</p> <p>Overnight stays may be approved for Agency travel when meetings extend beyond one work day or for evening travel when a one-day meeting begins before 8:30 a.m. (time on the agenda for registration or refreshments is not considered the start of the meeting).</p> <p>For travel to the Des Moines area, the Agency has ten <a href="#">preferred hotels</a> for overnight stays offering rates of \$75-\$84 per night. For travel to the Ames area, the Agency has an agreement with <a href="#">two hotels</a>. Staff will be allowed flexibility to make reservations at other locations, as long as the rate does not exceed \$84/night (except under extenuating circumstances that would require prior approval from an executive administrator). Lodging at an unauthorized hotel is not eligible for reimbursement.</p> <p>Employee is to submit eligible expense claims through the online Agency Reimbursement Claims System. Please see Reimbursement Claims section in this manual.</p>

## Agency-Directed Travel

SITUATION	ACTION
<i>When employees wish to pursue speaking opportunities at professional conferences or events</i>	The employee is to discuss this opportunity with their supervisor and complete a form titled <a href="#">Agency Approval for Speaking Engagements</a> . The purpose of this form is to proactively work with the employee to determine whether the speaking engagement can be supported by the Agency as Agency-directed travel. If the speaking engagement does not meet the criteria to be Agency-directed, other options of support for this opportunity may be considered (such as professional leave, calendar change, etc.)

## Assignment Change Requests – Contracted Staff

SITUATION	ACTION
<p><i>When contracted staff wish to be considered for a change in assignment, to work in another region</i></p>	<p>Employees are encouraged to check the <a href="#">Staff Openings</a> page located on the Agency website which is updated daily, to obtain up-to-date information regarding assignment opportunities and also to ensure assignment change requests meet the required timelines.</p> <p>When an assignment opening is posted to staff openings, interested employees in that job category are to provide a written request to the identified contact no later than the date identified, which is within five (5) days of the assignment posting.</p> <p>Complete <a href="#">procedures for Assignment Changes</a> may be found on the Agency website.</p>

## Bloodborne Exposure & Follow-up

SITUATION	ACTION
<i>When a bloodborne exposure occurs</i>	<p>When employees have direct contact with children, universal precautions must be followed at all times (this applies to blood &amp; other body fluids containing visible blood). Universal precautions include hand washing before &amp; after physical contact &amp; use of protective barriers, such as gloves. For more information regarding universal precautions, please contact the HR office at ext. 6703.</p> <p>In the event of a bloodborne exposure incident, immediately proceed as follows:</p> <ol style="list-style-type: none"><li>1. <u>Contact the Human Resources Office at 319-399-6703 to report the incident.</u> An <a href="#">Exposure Incident Report Form</a> is to be returned within 24 hours of the incident.</li><li>2. <u>Then contact one of the following designated occupational medical centers for a confidential medical evaluation and follow-up.</u><ul style="list-style-type: none"><li>• <b>Unity Point Work Well Clinic</b>, 319-369-8153, Cedar Rapids</li><li>• <b>Mercy Occupational Medicine</b>, 319-339-3921, Coralville</li><li>• <b>Mercy Care Occupational Health</b>, 319-558-0342, Cedar Rapids</li></ul></li><li>3. If further medical follow-up is needed after this initial evaluation, refer to the Worker Compensation procedures.</li></ol>

## Calendars

SITUATION	ACTION
<p><i>Employee reporting of scheduled work days</i></p>	<p>Staff employment calendars are available online by signing onto the <a href="#">Employee Self Service (ESS) system</a>. The link may be found on the Agency website, or go to Sign in and choose calendar which is a link located under forms. Complete the calendar and submit.</p> <p>Calendars will be reviewed by the administrative assistant and then forwarded to the supervisor for approval. Copies can be printed after the form has been approved. All staff working less than year round (260 days) are required to complete a calendar.</p> <p>Calendars for the upcoming school year are to be completed by staff and approved by supervisors before the end of the current school year.</p> <p>New staff will work with supervisor/administrative assistant to determine scheduled work days and enter online calendar.</p>
<p><i>When a change is requested or required on the employment calendar</i></p>	<p>Employees may submit change requests online by choosing the Calendar link under the Forms section of the ESS. Make the necessary changes on the calendar; note the reason for the change and save changes. A message in blue will appear on the top right of the screen stating “record updated, change form generated.” The change form will show as a PDF document in the Change Form History area. The online system will send an email to the employee once the calendar change request has been approved by the supervisor.</p> <p>Calendar changes may only occur within the same contract year, and the number of days changed is to be the same for work days and non-work days.</p>
<p><i>When employees need to know Agency calendar information</i></p>	<p>The Agency calendar is developed and posted online for staff to view and can be viewed on the Agency website.</p> <p>Circled dates on the calendar identify pay dates and boxed dates identify the days on which the Agency is closed. Employees are not required to work on the weekdays the Agency is closed.</p>

## Cash Payments Received

SITUATION	ACTION
<p><i>When collecting registration fees for an event or program</i></p>	<p>All fees are to be sent directly from the registrant to the GWAEA business services office. Therefore, when designing flyers, consider the following information. The return registration forms should be addressed directly to “accounts receivable (administrative assistant name)” and should include:</p> <ul style="list-style-type: none"> <li>the cost of the event</li> <li>the appropriate account number at the bottom</li> <li>the name of the person responsible for the program</li> </ul> <p>Other flyer considerations:</p> <ul style="list-style-type: none"> <li>equity statement</li> <li>cancellations and refunds</li> <li>copy of the flyer for the switchboard</li> <li>contact person’s name and phone number</li> </ul> <p>The accounts receivable technician (ext. 6705) also needs to receive a copy of the flyer and registration form at the time of the mailing to assure correct account deposit.</p> <p>When revenue is received, the accounts receivable technician will notify the appropriate administrative assistant via e-mail of the revenue received. The e-mail will include the check number, the amount received, the registrant’s name, the account number where the money will be deposited, and any other information that may be pertinent to the situation.</p> <p>The actual revenue and logged information is forwarded to the accounts receivable technician for deposit.</p>
<p><i>When an employee accepts payment (i.e., on-site registrations, receipts of payments in the mail)</i></p>	<p>On-site registrations: When registrants pay at the door, please take the registration money to accounts receivable technician in a <b>timely</b> manner for processing (by end of work day, if possible, or within 24 hours of receipt).</p> <p>Receipts of payments in the mail: Sometimes envelopes are incomplete or incorrectly addressed for mail containing cash payments. Recipients of this payment should forward the payment in a timely manner to accounts receivable technician for processing.</p>
<p><i>When collecting other cash for the Agency</i></p>	<p>All incoming revenue should be sent directly from the outside source to business services.</p>
<p><i>When accepting Master Card / Visa payments</i></p>	<p>Master Card/Visa payments are accepted for online GWAEA Professional Development activities and for online registrations for student programs (i.e. College for Kids, Open Minds Open Doors).</p>

## Cash Purchases

SITUATION	ACTION
<p><i>When vendors do not accept purchase order numbers</i></p>	<p>Several options: Either choose a different vendor, use the charge card checkout process described in this manual, or see instructions following on this page in situation “when employees make cash purchases” (must be less than \$50.00). All cash purchases require supervisor approval <u>prior</u> to the purchase.</p>
<p><i>When employees make cash purchases</i></p>	<p>Cash purchases are to be used sparingly and for extenuating circumstances only. This purchasing method is not intended as a common practice.</p> <p>If there is not adequate time to process a computerized purchase order or place an order through the online supply vendors and the expenditure is under \$50, employees, <b><u>with prior supervisor approval</u></b>, may be reimbursed for purchases up to \$50 (excluding food for employees). The employee is to submit request for reimbursement on the <b>online claims reimbursement</b> system and submit a receipt.</p> <p>Maximum allowable reimbursement using this method is \$50 per cash purchase. (See policy regulation 7381C.) Any cash purchases made in a single day constitute one cash purchase and the limit of total purchases in that single day is \$50.</p> <p>Cash purchase method should only be used for purchasing consumable supplies needed on an immediate basis.</p> <p>Support staff and managers have been provided with additional information regarding cash purchase guidelines.</p> <p>(For further information regarding reimbursements, please see Reimbursement Claims System in this manual.)</p>

## Charge Card Checkout

SITUATION	ACTION
<p><i>When making purchases with vendor charge cards (Best Buy, HyVee, Wal-Mart)</i></p>	<p>These cards shall generally not be used for expenditures that can be made through the normal purchasing process.</p> <ul style="list-style-type: none"> <li>• The administrative assistant processes a computerized purchase order to the vendor with a notation that the white copy needs to be returned to the administrative assistant.</li> <li>• When the white hard copy is returned to the administrative assistant, the employee may bring the processed white copy to business services for charge card checkout. The charge card will be given to them with accompanying brief instructions.</li> <li>• After the purchase has been made, the employee returns the charge card to business services with a detailed receipt or online confirmation indicating the date, purpose and nature of each expense.</li> <li>• The receipt will be compared to the purchase order.</li> <li>• Business services will need to know immediately if the purchase was partial and the employee will be returning to the store (the purchase order will be held open) or if the purchases are final (the purchase order will be closed and paid).</li> </ul>
<p><i>When vendors do not accept purchase order numbers and the Agency does not have a vendor charge card – Visa checkout</i></p>	<ul style="list-style-type: none"> <li>• Follow instructions for vendor charge card checkout above.</li> <li>• The vendor on the computerized purchase order should be Visa - Hills Bank &amp; Trust Co.</li> <li>• The description area of the PO should be noted with the name and address of the vendor as well as the items purchased and their purpose.</li> <li>• Please note on the PO if vendor is located outside the US.</li> </ul>
<p><i>When hotels do not accept purchase order numbers</i></p>	<p>Please see Lodging in this manual.</p>

## Checks, Reissuing

SITUATION	ACTION
<p><i>When a payroll check is lost or will not be accepted due to damage or destruction</i></p>	<p>Return the remnants of the check to the administrative specialist-payroll/benefits for re-processing. The check will be voided and reissued within a two-week period.</p> <p>If a payroll check is lost, notify the administrative specialist-payroll/benefits (ext. 6706). The bank will be contacted to determine if the check has cleared or is outstanding. If cleared, a copy of both sides of the check will be provided to the payee. If the check is outstanding, a stop payment will be placed on the missing check, and a replacement check will be issued in two weeks. If the lost check is found after being replaced, return it to the administrative specialist-payroll/benefits immediately.</p>
<p><i>When an accounts payable check is lost or will not be accepted due to damage or destruction</i></p>	<p>Return the remnants of the check to the accounts payable technician for re-processing. The check will be voided and reissued within a two-week period.</p> <p>If an accounts payable check is lost, notify the accounts payable technician (ext. 6707). The bank will be contacted to determine if the check has cleared or is outstanding. If cleared, a copy of both sides of the check will be provided to the payee. If the check is outstanding, a stop payment will be placed on the missing check, and a replacement check will be issued in two weeks. If the lost check is found after being replaced, return it to the accounts payable technician immediately.</p>

## Compensatory Time

SITUATION	ACTION
<p><i>When employees may earn and use comp time</i></p>	<p><b><u>Contracted Staff:</u></b> Employees are contracted for a professional service that often does not lend itself to a specifically-defined day. To meet work obligations and job responsibilities, professional staff may frequently work beyond 40 hours in a week. To recognize extended hours involved with professional services, comp time is provided in the Master Contract and is available for direct service client interactions that occur outside the regular business hours of 8:00 a.m.-4:30 p.m. Comp time is accrued on a straight-time basis and is to be earned and used in increments of 30 (thirty) minutes.</p> <p>Common examples for earning comp time include IEP meetings, parent/community meetings, CISM support, presentations/workshops beyond the workday, client visits that occur over the week-end, etc. Time not spent directly with clients, such as office activities, paperwork, reports, professional reading, etc. is not eligible for earning comp time. In order to earn and use comp time, the employee is to notify the supervisor of the intent to work off-hours or the need to have worked off-hours by recording the off-hour activity on the submitted weekly schedule or by informing the supervisor prior to the off-hour activity. Each employee is to provide weekly schedule information to the supervisor, and employee work schedules are subject to supervisor approval. If an employee is unable to notify the supervisor ahead of time of the need to provide services off-hours, the supervisor may consider the employee request when received and approval will depend on the circumstances. Its important employees give notice as soon as possible. Email notice is encouraged for documenting the comp time request and the supervisor approval.</p> <p>If an employee uses comp time, it is generally to be taken during the current contract year in which it was earned. Upon approval, the time may be taken at any time during the contract year, provided no more than 16 hours are taken consecutively. While not required, best practice would encourage employees to balance the professional time provided to their clients when using comp time (if comp time was earned with Client A then employee is to first consider using the comp time for Client A to the extent possible). Comp time provisions for contracted staff are outlined in Article 5 of the Master Agreement for Contracted Staff (p 6). Additional comp time guidance and scenario references jointly developed by an Agency-Association work group are available at <a href="#">Comp Time Guidance and Scenarios</a>.</p> <p><b><u>Hourly Staff:</u></b> Assigned or approved hours actually worked (not including leave or holidays) in excess of 40 hours per week is considered overtime, which is computed at a rate of 1½ hours for each hour worked in excess of 40 hours. Employees may be granted comp time in lieu of overtime pay. Any situation that necessitates an employee working beyond a 40- hour work week requires prior approval by the supervisor. The scheduling of any comp time to be taken is to be determined by mutual consent of the employee and supervisor, and the time is generally to be used during the work year in which it was earned.</p> <p>Agency needs are a primary consideration for comp time. The 15-minute break time that is provided within every 4 hours of scheduled work is paid time regardless of whether employees choose to take their break or not, and unused</p>

## Compensatory Time

SITUATION	ACTION
	<p>breaks are not to be used for the accrual of comp time or for adjusting the daily work schedule. Early arrivals to work, late departures from work and lunch periods may only be used for accruing comp time when based upon Agency need as determined by the supervisor. In the absence of prior approval, employees are not assigned any work during hours that fall outside the regular work schedule.</p> <p>For those infrequent occasions when employees wish to adjust their daily work schedule for personal reasons, rather than work-related reasons, such adjustments may be considered within a 40-hour work week and, therefore, do not involve comp time. Again, these cases require prior supervisor approval to ensure adequate service coverage and completion of required tasks. As a general rule of thumb, <u>any deviation from an employee's regular work schedule requires prior supervisor approval</u>. Comp time provisions for hourly staff are referenced in Article 6 of the Master Agreement for Classified Staff (p 6) and in Section 4700A.25 of the Terms &amp; Conditions of Employment for Management Support Staff (p 4).</p>

## Discrete Trial Services

SITUATION	ACTION
<i>When GWAEA has entered into an agreement with an LEA to provide discrete trial services to children <b>age 3 and above</b></i>	Business services invoices the school district for all expenses charged to their respective discrete trial account. The invoice does <u>not</u> provide additional support information (i.e., the number of hours each child was served during that time frame). Phone calls from schools desiring additional information will be forwarded to the appropriate regional administrator. See processing procedures on the following page.
<i>When GWAEA provides discrete trial services to children <b>birth through 2 years of age</b></i>	See processing procedures on the following page.

**Instructions to Discrete Trial Associates for Completing Time Cards:**

*Each time card submitted should reflect the appropriate school district/account number which is determined by the students served during that time card duration. Appropriate account numbers are important to assure accurate invoices to school districts. Following are examples that may be helpful.*

Example:

Hours worked during the week May 9<sup>th</sup> – 13<sup>th</sup> might include: 8 hours service to Linn Mar students age 3 and above  
 12 hours service to C.R. students age 3 and above  
 10 hours of service to students birth through 2 years of age

Therefore, the time card should indicate:

Linn Mar Discrete Trial	10-2-1200-291-8502-000-xxx = 8 hrs
C.R. Discrete Trial	10-2-1200-291-8505-000-xxx = 12 hrs
AEA Discrete Trial	10-2-1200-229-4523-000-xxx = 10 hrs

Discrete trial hours claimed include not only actual service time, but may also include preparation time, if the discrete trial service agreement between GWAEA and that district indicates such language. Most agreements also include language indicating that paid holidays and leaves provided by GWAEA are shared equally by the School District and GWAEA. Had the week included holidays in the example above, the time card should have split the paid holiday hours among the accounts. Therefore, the service provider needs to be familiar with the agreement prior to completing time cards.

Example: Online Reimbursement Claim for the month of May

- Estimate number of miles applicable for each of the accounts listed in the above example
- Document the estimated miles using the online reimbursement claim system, charging the miles to the appropriate discrete trial account number.

*Please refer to procedures for the online reimbursement claim system in this manual, if needed. Online reimbursement claim questions can be directed to the accounts payable technician, (ext. 6707), or computer services, (ext. 6758).*

*Financial questions regarding discrete trial can be directed to the Director of Business Services, (ext. 6704).*

## Emergency

SITUATION	ACTION
<p><i>When emergency situations arise</i></p>	<p>The GWAEA <a href="#">Policy #7401</a> and <a href="#">Regulation #7401-R(1)</a> address emergency and disaster procedures. To access the online policy manual from the Agency website, hover over About &gt; Governance, then click the link below Access Board Book and Agency Procedures.</p> <p>The Emergency Operations Plan outlines a plan for responding to emergencies. Copies of the plan are available in each Agency facility.</p> <p>First Aid Team are GWAEA employees trained to be contacts in situations of medical emergencies or sudden severe illness of employees or visitors on Agency property. They are identified and reconfirmed each fall. Their names are printed in the Bulletin Board twice each year and on signs posted at each of the GWAEA facilities.</p> <p>Zone Leaders are GWAEA employees trained to address emergency situations. They are identified each fall.</p>
<p><i>When the Agency Center is closed due to an emergency</i></p>	<p>The Chief Administrator and/or Associate Chief Administrator will make the determination to close the Agency. The need for closing one or more Agency Centers is evaluated on a case-by-case basis.</p> <ul style="list-style-type: none"> <li>• A voice mail message will be sent to all staff via the School Messenger system. This system will call the numbers that you establish in the <a href="#">Employee Self- Service System</a> and designate Public or Agency Staff Only.</li> <li>• We will record a message that will be available in all agency voice mailboxes. Through the all-call voice message, staff will be informed regarding (a) which centers are affected, (b) when the center(s) will close, (c) when the Agency anticipates reopening the center(s), and (d) when the next employee update will be available.</li> <li>• We will include information on the front page of the Agency website.</li> <li>• And finally, we will contact KCRG-TV to include it in their list of closings.</li> </ul> <p>An employee scheduled to work is to make up the work time missed while the Agency was closed or while they remained at home during work hours. Options for making up the work time include:</p> <ol style="list-style-type: none"> <li>1. calendar change</li> <li>2. emergency leave</li> <li>3. personal leave</li> <li>4. leave without pay</li> <li>5. or as otherwise specified in the Master Contract (Article 5 Paragraph E for Classified Staff and Article 6 Paragraph E for Contracted Staff) or terms of employment.</li> </ol> <p>Other leave (such as personal, illness/disability, vacation, etc.) that was used or scheduled to be used during the time the Agency was closed is not affected by the Agency closing and is to be reported as usual.</p> <p>In the event an employee performs assigned or approved work during a closing, the amount of time spent performing such services is recognized and considered as work time.</p>

## Emergency

SITUATION	ACTION				
<p><i>When employees determine the need to alter their work schedule or do not report to their assigned work due to inclement weather</i></p>	<p>When a school or Agency Center closes, staff members may see a need to work from home for all or part of the work day. The staff member is to provide advance notice of this schedule change to their supervisor and receive prior approval of the intent to work from home. Hourly staff are not authorized to work from home.</p> <p>Whether or not the Agency is closed, employees are to use their discretion in deciding whether to travel for work and/or leave work early in a severe winter weather situation. Employees are urged to consider the following factors in this decision:</p> <p style="padding-left: 40px;">Are the school(s) I serve closed? Is there work I could be doing at my Agency center? Is it endangering my safety for me to travel?</p> <p>Once an employee has decided to remain at home or leave work early, options for accounting for all or part of the workday include:</p> <table style="margin-left: 40px; border: none;"> <tr> <td style="padding-right: 20px;">1) calendar change</td> <td>3) personal leave</td> </tr> <tr> <td>2) emergency leave</td> <td>4) leave without pay</td> </tr> </table>	1) calendar change	3) personal leave	2) emergency leave	4) leave without pay

## Employee Assistance Program (EAP)

SITUATION	ACTION
<i>When employees encounter personal/family problems</i>	<p>The Agency provides an Employee Assistance Program (EAP) to support staff and family members. The EAP is provided through <a href="#">LifeWorks</a> and includes professional and confidential counseling and referral service for a variety of personal problems. Use of the EAP is on a voluntary basis. When participating in the EAP, employees retain the responsibility for meeting acceptable work performance and attendance standards.</p> <p>At least annually, typically in November, the HR office distributes information regarding the EAP and how to access the program. EAP counselors are available 24 hours a day, 7 days a week, by calling 1-888-267-8126.</p> <p>For more information, please refer to <a href="#">Policy and Regulation #4141</a> or contact the HR office, (ext. 6703).</p>

**Funding – Grants, Contracts and Agreements – referred to as “projects”**

SITUATION	ACTION
<i>When determining appropriate administrative / indirect charges</i>	Determination is made by the executive team and their recommendation to the GWAEA Board. The State sets indirect cost rates annually for each LEA/AEA and this rate is used for most federally-funded programs.
<i>When determining the appropriateness of GWAEA support for activities requiring business services assistance (i.e. statewide conferences, statewide ICNs, Task Forces)</i>	Determination is made by the employee’s manager/supervisor and the Director of Business Services.
<i>After the project has been approved for funding, what steps occur</i>	<p>After the business services office has received a copy of the funding award approval notification from the project manager<sup>+</sup>, a specific account number will be assigned to the project and forwarded to the project manager.</p> <p>The project manager will be expected to monitor financial activity for the project through their administrative assistant’s on-line access to GWAEA’s Financial Accounting system. If the project manager and/or the administrative assistant need clarification or have concerns about expenditure or revenue activity within the project account, they can receive assistance from business services. Expense and revenue changes can be made only within the school year of that activity. For example, if an expense or revenue is charged to an incorrect account, the correction must be made within that same school year.</p> <p>Narrative status reports required by the funding resource are typically the responsibility of the project manager. Financial reporting should be coordinated with the Financial Accounting Assistant (ext. 6708).</p>

<sup>+</sup> *The project manager is the employee who acts on behalf of GWAEA as the contact person for the project. Sometimes that person is also the person who initiated the funding application through GWAEA.*

## Interoffice Charges

SITUATION	ACTION
<p><i>When making a purchase from another area within the Agency, or charging someone for use of services within the Agency</i></p>	<p>Billing GWAEA employees for material or services does not require a purchase order. It does, however, require an expense account number.</p>
<p><u><i>Creative Services:</i></u></p>	<p>See examples below:</p>
<p><i>When ordering from Creative Services</i></p>	<p>Completion of a request through the Creative Services online ordering system indicates approval of media to charge expenses to the account indicated. Appropriate charge tickets are sent to the business office for creation of a journal entry.</p>
<p><u><i>Internal registrations:</i></u></p>	<p>Employees are given the opportunity to register for professional development sessions that will be held throughout the year. For instructions on registration, consult specific situations below.</p>
<p><i>Agency-Directed Registrations (Contracted and Non-Contracted Employees)</i></p>	<p>When the Agency expects the employee (both contracted and non-contracted) to attend the internal conference/session, the Agency will pay registration fees. This Agency-directed attendance will require the employee to complete a Professional Development registration form. The supervisor must approve the form, indicate an account number to be used for payment, and return the form to employee. Employee should register on-line. When asked for PO number, employee should enter account numbers supervisor provided on form.</p>
<p><i>Registration Using Professional Leave</i></p>	<p>See the Professional Leave section of this manual.</p>
<p><i>Registration Using Personal Payment</i></p>	<p>When an employee receives supervisor approval to attend a Professional Development session on Agency time and does not wish to be reimbursed for registration fees, registration is completed on-line and personal payment is made with a credit card. No Professional Leave Request or Reimbursement forms are needed.</p>
<p><u>Registration for Courses – Not Job-Related</u></p>	<p>When employees register for courses that are <u>not</u> job-related, registration is completed online and payment is made by credit card. Attendance must occur during non-work time hours.</p>

## Inventory – Equipment

SITUATION	ACTION
<p><i>When purchasing GWAEA equipment valued at \$1,000 and above</i></p>	<p>Purchases of equipment valued at \$1,000 and above that will be <u>GWAEA property</u> must be charged to an object code in the 700 series.</p> <p style="text-align: center;">731 Equipment      732 Vehicles      739 Computer Equipment</p> <p>All equipment must be tagged during the month that it is paid. This is done by the mail clerk at the time of delivery.</p>
<p><i>When purchasing computers and portable devices valued at \$300 and above</i></p>	<p>Purchases of laptops and other portable devices, such as iPads, will also be tagged and tracked in our inventory system for control purposes if they are valued at \$300 and above.</p>
<p><i>When equipment and furniture are delivered</i></p>	<p>Equipment and furniture valued at \$1,000 and above <u>that does not need to be installed</u> should be delivered to “receiving” at the Sixth Street facility. The receiving clerk tags this merchandise for inventory at the point of arrival. If furniture (such as cubicles and desktops valued at \$1,000 and above) is delivered directly to a work station/office, receiving must be notified immediately for inventory tag purposes.</p> <p>All computers purchased by GWAEA and that will be considered GWAEA property should be delivered to the Sixth Street Facility.</p>
<p><i>When purchasing GWAEA equipment valued under \$1,000</i></p>	<p>Sometimes there is a need to tag equipment that is not a part of GWAEA’s inventory system. This is particularly true of mobile equipment that is taken out of the building or on loan. There are “Property of GWAEA” tags available in business services for that purpose.</p>
<p><i>When equipment is donated to GWAEA</i></p>	<p>Recipients of donated equipment should contact business services (ext. 6704) to obtain “Property of GWAEA” tags so that the equipment can be properly identified. Currently, the Agency is not required to include <u>donated</u> equipment in the GWAEA inventory system, although its value may be \$1,000 or more.</p>
<p><i>Media &amp; Technology Equipment valued under \$1,000</i></p>	<p>Typically media and technology equipment that is valued at \$1,000 and above will be inventoried as a part of GWAEA’s inventory system. However, items specific to media and technology check out that are under \$1,000 may be tagged by them using a tag identifying the equipment specifically as “Media and Technology.” These tags are housed in the media/technology area. Also refer to the section on computers and portable devices above.</p>
<p><i>When needing to check out media equipment</i></p>	<p>Contact the Technology Center Technician (ext. 6720) to schedule equipment for check out. Setup and tear down of equipment within the building and at off-site locations is available. Fees may be applicable.</p>
<p><i>When ordering computer equipment</i></p>	<p>Please see purchase order section of this manual regarding centralized purchasing of computers/equipment/software.</p>
<p><i>When needing technology support for GWAEA equipment</i></p>	<p>Support for GWAEA technology equipment or software issues is available during normal work hours by contacting ext. 6738.</p>

## Inventory – Equipment

SITUATION	ACTION
<i>When resigning or retiring - what to do with equipment</i>	The HR office shall notify technology support staff when they receive notice that an employee is retiring or resigning. Technology equipment (i.e., computer, printer, software) is to be returned to the technology support center prior to the last day of employment with the Agency. <u>All</u> equipment/GWAEA property <u>must</u> be turned in prior to the last working day.
<i>When equipment is obsolete</i>	Consistent with the GWAEA Policies and Regulations:  The Director of Business Services authorizes disposal of equipment, furnishings, supplies or vehicles. Please see GWAEA Policies and Regulations for specifics, <a href="#">Series 7540</a> .
<i>When conducting physical inventory of GWAEA equipment valued at \$1,000 and above, and for computers and portable devices valued at \$300 and above</i>	In an effort to meet auditing needs, GWAEA conducts a physical inventory of equipment recorded in the fixed asset system. Physical inventory operations are conducted under the supervision of the Director of Business Services.  Inventory of mobile equipment is coordinated between the Director of Business Services and technology support.

## Invoices / Billing

SITUATION	ACTION
<i>When seeking reimbursement from outside organization for services provided by Grant Wood AEA</i>	<p>Contact the accounts receivable technician in business services (ext. 6705) who will prepare and send the invoice.</p> <p>Information needed:</p> <ul style="list-style-type: none"><li>• Name of individual requesting service</li><li>• Name of organization/school to invoice</li><li>• Type/description of service performed</li><li>• Date of service</li><li>• Amount to be billed</li><li>• Account number for revenue</li></ul> <p>There is a 60-day follow up process on outstanding invoices.</p>

## Jury Duty

SITUATION	ACTION
<i>When called to report for jury duty</i>	<p>Agency employees will be excused for jury duty with paid release time. Employees who are called for jury service are to notify the supervisor before jury duty is to be served.</p> <p>Proof of jury service is to be submitted to the Agency following completion of the service. Employees shall complete an Employee Leave form to report Jury Duty leave for work time missed.</p> <p>Any pay for jury duty will be turned over to the Agency. In the event the employee receives jury pay for days not scheduled to work with the Agency, the employee shall reimburse the Agency only that jury duty pay received for the number of work days missed for the jury service.</p> <p>For more information, please refer to <a href="#">Board Policy #7385</a>.</p>

## Leave Balances

SITUATION	ACTION
<i>To view leave balances</i>	<a href="#">Please see Employee Self Service (ESS) System.</a>

## Leave Forms

SITUATION	ACTION
<i>When taking time off from a normal work schedule</i>	<ul style="list-style-type: none"><li>• All employees must complete an Employee Leave Form when taking time off from their normal work schedule as prescribed for their employee group, including unpaid leave.</li><li>• Leave time must be recorded in increments according to the negotiated agreement or the Terms and Conditions of Employment for that employee's group. (i.e., Illness/Disability is to be taken in 30-minute increments; Vacation is to be taken in 30-minute increments.) Time is rounded up if not recorded in the correct increment.</li><li>• Leave forms for classified and management support employees are to be consistent with data recorded on the time card system and are to be submitted when data is reported on the time card system.</li><li>• Completed leave forms require appropriate supervisor approval.</li><li>• The leave form must be submitted to the Human Resources office in a timely manner. Human Resources will verify appropriate use of leave, record the leave and ensure accurate recordkeeping of leave balances.</li><li>• If uncertain of leave time available, the human resources administrative assistant should be contacted prior to completing the leave form (ext. 6748).</li><li>• Leave balances are available on the <a href="#">Employee Self Service (ESS) System</a></li></ul>

## Leave Forms – Extended Medical Leave

SITUATION	ACTION
<p><i>When an employee anticipates extended medical leave</i></p>	<p>The employee is to provide written notice to the supervisor of any anticipated medical leave at the earliest possible date. In the case of pregnancy, notice is to be provided no later than the end of the 4th month of pregnancy. Specific details and procedures concerning this notice are identified in the illness/disability section of the Master Contract Agreement and Terms and Conditions of Employment.</p> <p>In cases of scheduled surgery, or where it's possible to project an anticipated leave greater than 21 calendar days, the employee is to notify the Human Resources Administrative Assistant (ext. 6748.)</p> <p>The Human Resources Administrative Assistant will then prepare a leave packet for the employee. The packet will consist of a letter summarizing the procedure, FMLA information sheet, and projected and actual physician statement forms.</p> <p>The projected employee leave form is to be submitted as the initial request prior to the start of the leave, or as soon as is reasonably possible. (This may satisfy the formal written notice to the supervisor.) The projected leave form is to be supported by the projected physician's statement, which is personalized to the demands of the job. Illness/disability leave may be used only for the time period certified by the physician.</p> <p>The projected leave form will be adjusted to show the actual leave once the actual physician's statement has been received. The actual physician's statement is to be submitted within 3 weeks of the beginning of the leave period.</p>
<p><i>If the extended medical leave is anticipated to be greater than 90 consecutive calendar days</i></p>	<p>If the projected medical leave is anticipated to be greater than 90 consecutive calendar days, the employee is to notify the administrative specialist - payroll/benefits (ext. 6706).</p> <p>The administrative specialist - payroll/benefits will provide the employee with long-term disability application forms to complete.</p> <p>Long-term disability benefits are administered in accordance to plan design.</p>

## Leave Forms – Extended Without Pay

SITUATION	ACTION
<p><i>When an employee desires to continue on leave, but is no longer ill or disabled or all paid leave options have been exhausted</i></p>	<p>The employee may apply for extended leave without pay. The master contract agreements list which types of extended leaves are approved automatically and which are a matter of administrative discretion. A leave form is to be completed to apply for leave without pay.</p>

## Leaves – Agency Closings

SITUATION	ACTION
<i>When the Agency closes for emergency purposes</i>	Please see Emergency.
<i>When the Agency announces an early release time</i>	<p>In the event the Chief Administrator and/or Associate Chief Administrator(s) makes the decision to close the Agency early for an announced early release time (examples: day immediately preceding Thanksgiving Break, Winter Break, or Memorial Day), the following procedures apply:</p> <ul style="list-style-type: none"><li>• An employee scheduled to work will not be required to use paid leave during the time the Agency Center is closed.</li><li>• Other leave (such as personal, illness/disability, vacation, etc) that was used or scheduled to be used during the time the Agency was closed is not affected by the Agency closing and is to be reported as usual.</li></ul>

## Leaves – Canceling or Changing Approved Leaves

SITUATION	ACTION
<p><i>When an employee wishes to cancel a leave:</i></p>	<ul style="list-style-type: none"> <li>• A leave may only be cancelled before the start of the approved leave. Once a leave has started, the leave may not be cancelled.</li> <li>• Employees must notify their supervisor before the start of the approved leave.</li> <li>• If the supervisor had received advance notice from the employee of the need to cancel the leave, the supervisor will delete the form if they have not approved it yet, or if the leave has been approved, email the Human Resources Administrative Assistant the leave information that is to be cancelled.</li> <li>• <b>Example:</b> An employee has scheduled personal leave to spend time with a friend. The morning of the scheduled leave, the friend contacts the employee to cancel the day's plans. Before the start of the employee's regular work day, the employee phones the supervisor and leaves a voice mail message of intent to work their regular schedule that day.</li> </ul>
<p><i>When an employee wishes to change the type of leave being taken:</i></p>	<ul style="list-style-type: none"> <li>• A leave type may only be changed before the start of the approved leave. Once a leave has started, the leave type may not be changed.</li> <li>• Employees must notify their supervisor before the start of the approved leave.</li> <li>• If the supervisor had received advance notice from the employee of the need to change the leave type, the supervisor will make the change if the form has not yet been approved; if the leave has been approved, email the Human Resources Administrative Assistant of the change.</li> <li>• <b>Example:</b> An employee has scheduled vacation. The evening before the scheduled vacation, employee is notified of a death in the family. Before the start of the employee's regular work day, employee phones the supervisor of the need to change the leave.</li> </ul>
<p><i>When an employee wishes to change the amount of leave time taken:</i></p>	<ul style="list-style-type: none"> <li>• If an employee wishes to change the amount of time taken for an approved leave, the employee is to notify the supervisor.</li> <li>• The supervisor may adjust the form if they have not approved it yet, or if the leave has been approved, email the Human Resources Administrative Assistant with the leave information to be adjusted.</li> <li>• <b>Example:</b> An employee has scheduled one-half day of personal leave. During the leave, the employee wishes to take a full day rather than a half day. The employee phones the supervisor regarding the desire to change the leave.</li> </ul>

\*\* **Please note:** A non-work day cannot be changed to a work day for the purpose of taking leave.

## Lunch Periods and Break Times (Hourly Staff)

SITUATION	ACTION
<p><i>Lunch periods – General description</i></p> <p><i>Procedures and Guidelines</i></p>	<p>Lunch periods are meal breaks to be taken at midday, which is generally between 11:00 a.m. and 2:00 p.m.</p> <p>“All lunch periods shall be at least thirty (30) minutes and unpaid except for employees who are routinely assigned responsibilities during that period.” <i>Article 5, Paragraph D(1), Master Contract Agreement for Classified Staff</i></p> <p>With the exception of paraeducators assigned to off-site classrooms, all hourly employees are relieved from job duties during the lunch period. Off-site paraeducators are routinely assigned to supervise students during the daily lunch period and therefore no duty-free lunch is available.</p> <p>The work schedule for all hourly staff who work more than 6 hours in one day shall include a lunch period of at least 30 minutes.</p> <p>Upon supervisor approval, the employee may elect for their normal work schedule a lunch period that is either 30 minutes (8:00 a.m.-4:30 p.m. or 7:30 a.m.-4:00 p.m.) or one hour (7:30 a.m.-4:30 p.m.) in length. With prior supervisor approval, an employee may request a longer or shorter lunch period for a particular day that is different from their regular schedule (as long as the lunch period is at least 30 minutes in length).</p> <p>The scheduling of lunch periods is subject to supervisor approval and is not to be used for adjusting the daily work schedule outside of the midday meal break (for example, lunch periods are not to be used at the end of the day for an earlier release time).</p> <p>Under the Fair Labor Standards Act (FLSA), hourly employees must be compensated for all work performed (any activity which is beneficial to employer), which includes lunch at desk and any work for which they volunteer within their regular duties. To help ensure employees receive a meal break and are not called upon to perform any work during this time, the location for lunch periods is to be different from the employee’s regular workspace (no lunch at desk).</p> <p>No option is available to eliminate the lunch period. For uncommon and extenuating circumstances where the supervisor has determined an Agency need and directed a lunch period to be worked due to an all-day event, the assigned/ approved work is to be reported as work time. Both the work schedule and work performed is to be directed/approved in advance by the supervisor.</p> <p>With the exception of paraeducators assigned to off-site classrooms, lunch periods are duty free and employees may leave the work site for lunch periods.</p>
<p><i>Break times – General description</i></p> <p><i>Procedures and Guidelines</i></p>	<p>There is no state or federal law requiring break times. Break time is, however, offered for Classified Staff under Article 5, Paragraph C, of the Master Contract Agreement for Classified Staff – “Within every four (4) hours of scheduled work employees shall receive a fifteen (15) minute break.”</p> <p>When break time is offered, federal law requires the 15-minute break periods to be paid time.</p> <p>The 15-minute break time is to be used mid-way through each 4-hour time period.</p>

## Lunch Periods and Break Times (Hourly Staff)

SITUATION	ACTION
	<p>The 15-minute break time provided within each 4 hours of scheduled work time is paid time whether employees choose to take their break or not.</p> <p>Unused breaks are not to be used for adjusting the daily work schedule, overtime or accruing comp time.</p> <p>Unused break time does not accumulate as time worked and does not result in additional pay.</p> <p>Break time is paid time, and employees are not to leave the work site during break times.</p>

## Medicaid Claims

SITUATION	ACTION
<i>When seeking reimbursement from Medicaid for services to IEP students</i>	Grant Wood AEA follows the procedures and guidelines in the AEA IEP Documentation Guide on page 99. This manual is <a href="#">available here</a> .  For questions regarding the Medicaid claiming process, please contact the Facilitator for the IMS System (ext. 6806).

## New Staff Orientation

SITUATION	ACTION
<i>When employees are new to the Agency</i>	<p>A general orientation for new staff is conducted as a large group session over a 2-3 day period before each school year begins. This structured orientation provides a broad overview of the Agency (mission, history, services and internal support and benefits available), with more job-specific orientation activities to be facilitated by supervisors throughout the year. Orientation for new staff hired after the school year begins is provided by HR as soon after the hire date as possible.</p> <p>During orientation, employment/payroll forms, insurance enrollment forms, and other required forms are completed. Arrangements are also made for fulfilling the mandated trainings within the first 10 days of employment.</p> <p>Contact the HR office for more information, (ext. 6703).</p>

## Payroll – Time Card Reporting

SITUATION	ACTION
<i>Payroll Time Card System Log-In Instructions</i>	<p>All full-time, regular part-time, and restricted part-time classified and management support employees report their hours worked by using the on-line time card system located on the Grant Wood AEA <a href="#">Employee Self Service (ESS)</a> site.</p> <p>At the ESS Login Screen:      Username: First Initial and Last Name               Password: gwaea10 (default)               School District: Grant Wood AEA</p> <p>Once signed in, under My Information, click Grant Wood Time Card System</p>
<i>Employee Responsibilities</i>	<ul style="list-style-type: none"> <li>• <u>Accuracy</u> - Accurate time cards include reporting of lunch breaks, leave time, overtime and comp time hours. Reporting of leave time on time cards is to be consistent with data reported on employee leave forms.</li> <li>• <u>Timeliness</u> - Entering of time card data and certification of hours is to be completed by the end of the day Friday of the week ending or in accordance to supervisor request and payroll processing needs.</li> </ul>
<i>Supervisor Responsibilities</i>	<ul style="list-style-type: none"> <li>• <u>Accuracy</u> - When approving time cards, supervisors must ensure accuracy of employee time card reporting.</li> <li>• <u>Timeliness</u> - Supervisors must approve weekly time card data timely and in accordance to payroll processing needs. To ensure smooth payroll processing the standard deadline for time card approval is by 4:00 p.m. Tuesday for the hours worked the previous week. Time card deadlines are subject to change due to holidays and other such Agency closings. When these situations occur, there will be advance notification of altered deadline.</li> </ul> <p>If supervisors are unable to authorize time cards within the payroll deadlines, it is their responsibility to notify their pre-designated alternate approver to approve time cards on their behalf.</p>
<i>Added Days Time Cards</i>	Please refer to Added Days section.
<i>Substitute / Temporary Employees through GWAEA</i>	Complete pink paper time cards to report hours worked each week for the duration of the time approved by the Board.
<i>Substitute Employees through SubCentral</i>	If subbing for a Grant Wood AEA off-site classroom via SubCentral, the sub must be fully registered through SubCentral. Hours are paid from SubCentral work reports generated.
<i>All Grant Wood AEA Staff</i>	Incomplete or inaccurate time cards, or time cards not meeting the payroll deadline are at risk of not being processed that pay cycle.

## Payroll – Overtime

SITUATION	ACTION
<p><i>Overtime definition for <u>hourly</u> employees</i></p>	<p>Per the Master Contract Agreement for Classified Staff and Management Support Terms and Conditions, overtime is defined as assigned work in excess of a normal forty-hour week.</p> <ul style="list-style-type: none"> <li>• Overtime pay will be at the rate of one and one-half times the employee’s normal hourly rate.</li> <li>• Compensatory time may be computed at a rate of one and one-half hours of compensatory time off for each hour worked in excess of a forty-hour week.</li> <li>• Only with the mutual consent of the employee and his/her immediate supervisor will compensatory time be granted in lieu of overtime pay.</li> <li>• No more than 240 hours of compensatory time may be accrued. Any overtime hours worked beyond the maximum accrual must be paid at the overtime rate.</li> <li>• Scheduling of compensatory time shall be by mutual consent of the employee and his/her immediate supervisor.</li> <li>• The Agency shall attempt to give at least 24 hours notice before the overtime is to commence.</li> <li>• When determining overtime eligibility during weeks in which paid leaves are utilized, refer to either the Master Contract Agreement for Classified Staff or the Management Support Terms and Conditions.</li> </ul>
<p><i>Claiming overtime hours for hourly employees</i></p>	<p>Overtime hours for classified and management support employees should be reported on weekly time cards.</p>

## Payroll – Tax Sheltered Annuities, 403b Program

SITUATION	A C T I O N
<i>When enrolling or making changes to a 403b</i>	<p>The Grant Wood AEA 403b plan is administered by the Iowa Department of Administrative Services – Retirement Investors’ Club (RIC) 403b Program.</p> <p>A 403b is a voluntary savings plan designed to supplement employees’ pension and Social Security benefits at retirement. Contributions are made via pre-tax payroll deductions.</p> <p>Post-tax Roth 403b accounts are also available through the RIC program.</p> <p>A <a href="#">Salary Reduction Form</a> must be completed and submitted to the payroll/benefits specialist to initiate or change a 403b plan. Employee contributions to 403b’s are on the first two payrolls of the month.</p> <p>For further information, employees may reference the <a href="#">RIC website</a> or contact the payroll/benefits specialist (ext. 6706).</p>

## Professional Leave

SITUATION	ACTION
<p><i>Applying for Professional Leave (Dollars and Hours) for Professional Growth Activities</i></p>	<p>To apply for professional leave (dollars and hours) available through the Master Contract, the employee is to submit a Professional Leave Request (available online on the <a href="#">ESS System</a>) to their supervisor at least 15 Agency days prior to the event. The supervisor's approval indicates understanding that the activity is job-related and that the employee has sufficient professional leave dollars and hours to cover the request. (For non-contracted employees whose position requires state licensure as outlined in the Classified Master Contract approval also indicates that the activity fulfills CEU requirements). The request is then routed to the appropriate Director of Teaching &amp; Learning or Associate Chief Administrator, as applicable, for review. Upon submitting the request, an administrative decision shall be made within 10 Agency days. Professional leave shall not be limited to in-state activities.</p>
<p><u><i>Registration and Reimbursement for Professional Growth Activities</i></u></p> <p><i>Internal Professional Development (Contracted)</i></p> <p><i>Internal Professional Development (Non-Contracted Employees fulfilling CEU requirements)</i></p> <p><i>External Professional Growth Activities (Contracted Employees and Non-Contracted Employees Fulfilling CEU Requirements)</i></p> <p><i>External Professional Growth Activities (Non-Contracted Employees)</i></p>	<p>Upon approval of the Professional Leave Request, the employee is to register online and make personal payment with a credit card. Following completion of the activity, the employee completes a Professional Leave Reimbursement request by clicking on the original, approved request and submits the form along with receipt (or a copy of payment) and certificate of attendance to request reimbursement. It is not necessary to use professional leave hours if the employee receives supervisor approval to attend the <u>internal</u> professional development activity on Agency time. However, if the employee wishes to use course credit for advancement on the salary schedule the course is not to be taken on Agency time and professional leave hours may be requested (see Salary Lane Change – Leave Guidelines).</p> <p>Upon approval of the Professional Leave Request, the employee is to register online and make personal payment with a credit card. Following completion of the activity, the employee completes a Professional Leave Reimbursement request by clicking on the original, approved request and submits the form along with receipt (or a copy of payment) and certificate of attendance to request reimbursement. It is necessary to use professional leave hours if the employee attends on Agency time.</p> <p>Upon approval of the Professional Leave Request, the employee registers and makes personal payment for the activity and associated expenses. Following completion of the activity, the employee completes a Professional Leave Reimbursement request by clicking on the original, approved request. Other materials required to process reimbursement include a copy of the registration form and receipts related to air fare, ground transportation, parking, lodging, registration and certificate or proof of attendance.</p> <p>Payment for external professional growth activities approved by the appropriate Director of Teaching &amp; Learning or Associate Chief Administrator, as applicable, is made by a purchase order.</p>

***Please also refer to the Master Contract Agreements (Article 7, Paragraph K) for this leave provision.***

\* NOTE: For activities outside the State of Iowa, the employee may file airfare and registration reimbursement request prior to the event and after he/she has paid with a personal check or credit card. If circumstances prevent the employee from attending the professional leave activity, typically the employee is obligated to reimburse Grant Wood AEA.

## Professional Leave

SITUATION	ACTION
<p><i>Reimbursement for professional purchases:</i></p>	<p><b>Contracted staff:</b> To request professional leave monies for eligible purchases, the employee is to submit a Professional Leave Request online. Employees are encouraged to submit this form prior to the purchase to have reasonable assurance the expense will be reimbursed. Upon approval of the request and following the purchase, the employee is to submit a Professional Leave Reimbursement request online. Other materials required to process reimbursement include any receipts or proof of payment, and transcript or proof of completion.</p> <p>In addition to conference and workshop expenses; professional leave dollars may also be used to reimburse professional organization dues (except NEA, ISEA, ECUU and GWEA); license fees and or licensure/certification renewal.</p> <p>Professional leave monies may be used to reimburse course tuition (courses for which tuition is reimbursed using professional leave monies, however, cannot be used for salary schedule advancement). Please see Salary Lane Change–Leave Guidelines section for information related to reimbursement and coursework eligibility.</p> <p>Also, professional leave monies may be used to purchase: professional journals, books, DVD’s, CD’s and software; professional leave monies available for these purchases shall not exceed \$400 per work year. Professional leave monies may also be used to purchase approved technology equipment/materials that are not included in core materials or are not provided/assigned by the Agency for individual employee use; professional leave monies available for these purchases shall not exceed \$150 per work year. Note: it shall be the employee’s responsibility to contact the Technology Center regarding compatibility of approved purchases with Agency equipment. Reimbursement of approved eligible purchases listed in this paragraph will be treated as taxable income and payment shall be made through Payroll.</p>
<p><i>Timeline for submitting professional leave reimbursement requests</i></p>	<p>The purpose of professional leave is to promote professional growth and support individuals in their roles as Agency employees. Since reimbursement of professional leave expenses is to be limited to job-related activities only, timely application is an important consideration for determining the job-related nature of an expense.</p> <p>To promote consistency in granting professional leave for job-related purposes as intended, employees are advised to submit professional leave reimbursement forms within the following timelines:</p> <ul style="list-style-type: none"> <li>• Equipment and materials - no later than <b>March 1</b>, or at least three months prior to leaving the Agency, whichever is first.</li> <li>• Other expenses (including conferences, license fees and professional dues) will be evaluated on a case-by-case basis – again the <b>March 1</b> timeline is an indicator for determining an expense is job related and as much notice as is reasonably possible is recommended for submitting application</li> </ul> <p>These timelines, which apply to all contracted staff, help establish the job-related connection of the expense and improve the likelihood an eligible reimbursement request will be granted.</p> <p>Payment for Professional Leave Reimbursements, other than those processed through Payroll, will be processed monthly, on the 2<sup>nd</sup> Wednesday of the month.</p> <p>Payment for professional leave activities or professional purchases made more than six months prior to claim will not be eligible for reimbursement.</p>
<p><i>For professional leave balance information</i></p>	<p>The total amount of the professional leave request, in hours and/or dollars, is not to exceed the balance available at the time of the professional leave occurrence/expense. Professional leave balance information is available in the Employee Self Service (ESS) System.</p>

## Purchase Orders

SITUATION	ACTION
<p><i>When purchase orders are needed and when they aren't</i></p> <p style="padding-left: 40px;"><i>Needed:</i></p> <p style="padding-left: 40px;"><i>Not Needed:</i></p>	<ul style="list-style-type: none"> <li>• For all purchases over \$10. This includes purchases of all supplies (software, books, videos, etc.) and equipment (computers, furniture); repairs (maintenance agreements).</li> <li>• If there is not adequate time to process a computerized purchase order and the expenditure is under \$50, employees may seek <u>prior</u> approval from their supervisor to make a cash purchase up to \$50 (excluding food). The employee may then seek reimbursement on the online claims reimbursement system and submit a receipt. (See Cash Purchases” and Reimbursement Claims System in this manual.)</li> <li>• Payment of utilities (telephone, gas, electric).</li> <li>• Payment of resource agreements. The completed resource agreement must include the account number and signature of the appropriate supervisor/management designee to indicate approval.</li> <li>• Purchases at the following vendors: Quill, BP gas stations, Casey’s General Stores, Storey Kenworthy. An account number may still need to be provided.</li> </ul>
<p><i>When processing purchase orders for payment of meals &amp; nonalcoholic beverages of <u>in-area</u> meetings/activities where registration fees <u>do not</u> cover all food/beverage items</i></p>	<p>Per guidelines from our auditors, the Agency can provide meal and/or nonalcoholic beverage service for <u>in-area</u> meetings/activities even when registration fees <u>do not</u> cover those expenses. However, this <u>can only occur when</u> more than 50% of the meeting attendants are non-GWAEA employees.</p> <p>When the administrative assistant processes computerized purchase orders for food/beverages that fit this criteria, the description portion of the purchase order should read “meeting expenses” (not food) and must include—</p> <ul style="list-style-type: none"> <li>• the name, date, and purpose of the meeting</li> <li>• the number of anticipated GWAEA participants</li> <li>• the number of anticipated non-GWAEA participants</li> </ul> <p>Use object code “618” for meal/beverage expenses.</p>

SITUATION	ACTION
<p><i>When processing purchase orders for payment of meals &amp; nonalcoholic beverages of <u>in-area</u> meetings/activities where registration fees <u>do</u> cover all food/beverage items</i></p>	<p>Per guidelines from our auditors, the Agency can provide meal and/or nonalcoholic beverage service for <u>in-area</u> meetings/activities when registration fees cover those expenses or when 50% of the meeting attendants are non-GWAEA employees.</p> <p>The administrative assistant processing the computerized purchase order will include a statement of confirmation that registration fees <u>were paid which cover all</u> meal/beverage expenses (if that is the situation).</p> <p>The description portion of the purchase order should read “meeting expenses” (not food) and must include—</p> <ul style="list-style-type: none"> <li>• the name, date, and purpose of the meeting</li> <li>• the number of anticipated GWAEA participants</li> <li>• the number of anticipated non-GWAEA participants</li> </ul> <p>Use object code “618” for meal/beverage expenses.</p>
<p><i>When <u>regional</u> employees need to order instructional materials and equipment</i></p> <p><i>When any employee requests technology equipment</i></p>	<p>Centralized purchasing: For employees assigned to regions, all instructional materials and equipment are ordered centrally through the appropriate administrative assistant. Any exceptions to this procedure must be approved by the Associate Chief Administrator.</p> <p>After the supervisor has approved the technology equipment/software purchase, actual purchasing occurs by making a request to the technology support center, (ext. 6738).</p>
<p><i>When wanting to encumber funds</i></p>	<p>The computerized purchase order process is what actually encumbers funds. This commits the estimated or anticipated expenditure on the purchase order to that account, even though the invoice has not been paid. When reviewing an account’s expenditures on the online finance system, the viewer has the option of viewing the account expenditures with or without encumbrances, depending on the criteria selected for that screen.</p>
<p><i>When purchase orders are encumbered during one fiscal year (July thru June), but paid for in the next/new fiscal year</i></p>	<p>Once the working budgets are set for each account for the new fiscal year, additional dollars are added to the working budgets of specific line items that will be expending dollars for the previous year’s encumbrances. This assures that accounts are not “in the red” before their new year’s expenditures begin.</p>
<p><i>When proposing purchase of an individual good or service costing more than \$15,000 and less than \$25,000</i></p>	<p>Consistent with GWAEA Policies and Regulations, <a href="#">Series 7320</a>:</p> <p>Administration shall obtain at least three price quotations, if available, and submit these quotations to the Board with the proposed purchase. Rationale must be provided if three quotations are not submitted. After the review, the Board may require competitive bidding to obtain the best value for the least cost.</p>

## Purchase Orders

SITUATION	ACTION
<p><i>When proposing purchase of an individual good or service costing more than \$25,000</i></p>	<p>Consistent with GWAEA Policies and Regulations, <a href="#">Series 7320</a>:</p> <p>Competitive sealed bids (through the public, open bidding procedures) are required for purchases, other than emergency purchases, for individual goods and services that cost \$25,000 or more.</p> <p>The purchase will be made from the lowest responsible bidder based upon total cost considerations, availability of service and/or repair, delivery date, targeted small business procurement goal, and other factors deemed relevant by the Board. The Board will enter into contracts as the Board deems in the best interest of the Agency.</p>
<p><i>When proposing purchase of construction contracts</i></p>	<p>Consistent with GWAEA <a href="#">Policy #7321</a>.</p> <p>The competitive quote limit is \$109,000, so all building or construction projects over that amount require obtaining quotations from at least two contractors.</p> <p>The competitive bid limit is \$196,000, so projects over that amount require a competitive sealed bid process and a public hearing on the plans and estimated cost of the construction project.</p>

## Purchase Orders

SITUATION	ACTION
<i>When processing a purchase order – who does what?</i>	
<i>Employee</i>	Completes requisition form (form available through administrative assistant)
<i>Supervisor</i>	Signs/initials approval of request for purchase
<i>Administrative assistant</i>	<p>Enters approved requisition into the electronic purchase order system. Training on the computerized purchase order system is provided by the accounts payable technician (ext. 6707). Narrative content should include:</p> <ul style="list-style-type: none"> <li>• Vendor and vendor number</li> <li>• Ship to</li> <li>• The administrative assistant’s name – Attn field</li> <li>• Estimated dollar amount (also cost of shipping, if available)</li> <li>• Description of order – with quantity, individual pricing, names, account numbers divided out as needed.</li> <li>• Notation “confirming order” if the order has already been placed</li> <li>• Notation to “return white copy” if placing the order yourself. All POs to credit cards and hotels will not be mailed – white copy will be returned to originator.</li> </ul>
<i>Appropriate Supervisor</i>	<p>If there are attachments to be sent with purchase order; i.e.: registration forms, order forms - forward to accounts payable at this time.</p> <p>Reviews and approves purchase order then electronically forwards to business services</p>
<i>Accounts Payable Technician</i>	Prints out purchase orders and emails to preparer/originator. Gives purchase orders over \$1,000 to Director of Business Services.
<i>Director of Business Services</i>	Approves all purchase orders \$1,000 - \$15,000. Those over \$15,000 are forwarded to Chief Administrator for pre-approval. They are then reviewed and initialed. Purchase orders are then returned to accounts payable for distribution.
<i>Accounts Payable Technician</i>	<p>Sends purchase orders electronically to the finance system.</p> <p>Separates purchase orders –</p> <ul style="list-style-type: none"> <li>- white copy and any attachments: mailed to vendor, unless special requests determine white copy to be returned to originator of purchase order</li> <li>- pink copy: put in numeric order and filed</li> <li>- blue copy: filed alphabetically by vendor in open purchase order file</li> <li>- yellow copy: sent to receiving department</li> <li>- gold copy : sent back to administrative assistant who originated purchase order</li> </ul>
<i>Business Services</i>	Purchase order numbers cannot be pre-assigned. Computerized purchase orders will be printed daily, and when submitted through the computerized approval process, a number will be available after it has been printed.

## Reimbursement Claims System

SITUATION	ACTION
<p><i>When GWAEA employees seek reimbursements</i></p>	<p>For definitions of acceptable mileage, travel, and cell phone reimbursements, please refer to the GWAEA Board Policies and Regulations - <a href="#">Series #7381A, B, and C.</a></p> <p>Mileage claims are made online by accessing <a href="#">ESS</a>.</p> <p>The mileage description should include both starting point and destination. Employees are trained on the online reimbursement claims system process by support staff or the accounts payable technician (ext. 6707).</p> <p>Meals and nonalcoholic beverages can be reimbursed for GWAEA employees during <u>out-of-area</u> travel. Claims for reimbursement cannot include those expenses incurred within the GWAEA area while traveling to and from the out-of-area destination. The claim description should identify meal and location.</p> <p>Meal reimbursements do not require receipts. Instead meals are reimbursed on a per diem basis based on federal GSA rates. A GSA quick reference can be found in the reimbursement claims system. The Des Moines GSA rate includes all of Polk County.</p> <p>Only meal expenses during out-of-area travel are eligible for reimbursement. Generally, one day travel outside of GWAEA area is eligible for lunch and snack reimbursement. Full day meal reimbursement is most appropriate on days when the staff person is not traveling within the GWAEA area and an overnight stay is involved.</p> <p><b>Deadlines:</b> Employees should make their claims online and submit receipts to managers <u>by the last working day</u> of each month. It is important that claims submitted for June fiscal year end be entered as soon as possible in July. Claims submitted for expenses that were incurred more than six months prior to month in which the claim is received by the business office will not be eligible for reimbursement.</p> <p><b>Payments:</b> Managers should approve claims <u>by the third working day</u> of the month.</p> <p><u>Payment for approved</u> reimbursement claims is made the <u>second Wednesday</u> of each month.</p>
<p><i>When employees make cash purchases</i></p>	<p>Please see Cash Purchases in this manual.</p>

## Reimbursement Claims System

SITUATION	ACTION
<p><i>When <u>non-GWAEA</u> individuals seek reimbursements</i></p> <p><i>When claiming mileage or miscellaneous reimbursements for non-GWAEA situations</i></p> <p><i>When claiming mileage, as designated in the resource agreement</i></p>	<p>Mileage claims for non-GWAEA individuals or companies can be included on their invoices or listed on their resource agreements. Claims are <u>not</u> made online, and a separate hard copy mileage claim form is <u>not</u> necessary. (See below.)</p> <p>GWAEA’s receipt of an invoice (or a hard-copy mileage claim form) from the non-GWAEA person will initiate payment to them. This needs to be approved by the appropriate manager and forwarded to business services.</p> <p>The mileage claim can be included on the individual’s or company’s invoice. No purchase order is needed. Payment will be made from the information indicated on the resource agreement and the invoice. These forms need to be approved by the appropriate manager and the appropriate Director of Teaching &amp; Learning or Associate Chief Administrator, as applicable.</p>
<p><i>When seeking reimbursement data for income tax purposes</i></p>	<p>Employees should keep a record of their monthly claims and reimbursements for income tax purposes. Each individual’s historical data for the current year can be obtained on the online reimbursement claims system. Business services procedures do not include maintenance of income tax records for each employee.</p>

## Resource Agreements / Purchased Service Agreements

SITUATION	A C T I O N
<p><i>When paying an individual, company, or organization for services provided in a discrete period of time</i></p>	<p><b>Resource Agreements -</b>            A completed Resource Agreement serves as a letter of understanding between the individual and GWAEA and is used to initiate payment. The signed Resource Agreement is to be submitted to the Business Office only after services have been provided.</p> <p>The Agency makes the determination whether the status of the Resource Agreement is Employee (paid through payroll) or Independent Contractor (vendor payment).</p> <ul style="list-style-type: none"> <li>• If employee status, then the Federal and State W-4 forms and I-9 Employment Eligibility forms must be completed and submitted with the Resource Agreement. Our payroll system will withhold FICA and applicable federal and state taxes, and the income will be included in W-2 tax reporting.</li> <li>• If independent contractor status, then the Independent Contractor and Centralized Employee Registry forms must be completed and submitted with the Resource Agreement. The individual is responsible for reporting taxes and will be paid through accounts payable. If they are paid over \$600 in a calendar year, a 1099 tax form will be provided by the Agency to the contractor.</li> </ul> <p>Agreements valued at \$15,000 or less can be approved by an administrator. Agreements greater than \$15,000 must be approved by the Board of Directors. Resource Agreements must include the appropriate GWAEA account number. No purchase order is required for Resource Agreement.</p> <p>Note: Administrative assistants and executive assistants are provided with corresponding paperwork that provides details about Resource Agreement procedures.</p> <p>Current Agency employees who are instructors for Professional Development classes will be paid through payroll. Independent contractor status is not appropriate.</p>
<p><i>When paying a company, organization, or an individual who is an independent contractor for services covering a longer period that will require multiple payments</i></p>	<p><b>Purchased Service Agreements -</b>            The Director of Business Services is to be contacted prior to initiation of services. A Purchased Service Agreement is to be prepared and signed by both parties, as well as the independent contractor forms (these forms are available from administrative assistants and executive assistants).</p> <p>Agreements valued at \$15,000 or less can be approved by an administrator. Agreements greater than \$15,000 must be approved by the Board of Directors.</p> <p>Purchase Order and Invoice – A computerized purchase order is processed as the services are performed. An invoice from the company/independent contractor should be forwarded to accounts payable in business services to initiate payment.</p>

## Salary Lane Change – Contracted

SITUATION	ACTION
<p><i>When contracted staff want to advance their placement on the Salary Schedule</i></p>	<p>The Master Contract for Contracted Staff, (Article 8, Salary Schedule Placement, paragraphs D and E) addresses advancement on the salary schedule.</p> <p>Additional course credits (semester hours) are to be secured by September 1 of the contract year, and evidence of the additional course credits are to be submitted by October 1. <a href="#">Application form for Salary Lane Changes</a> is available on the Agency website.</p> <p>Employees are advised to complete and submit application along with course description to their Regional Administrator before taking any coursework. In this way employees are informed whether the coursework has been approved for lane advancement purpose. Upon completion of coursework, evidence of successful completion is to be submitted to the Human Resources Office.</p> <p>When employees secure enough course credits to advance on the Salary Schedule, salary changes are presented to the Board at the regular meeting in October. Once approved by the Board, modified contracts are issued to reflect the salary change and the change is retroactive to the beginning of the work year. Note: if sufficient credits and evidence are submitted well in advance of the contract year’s first pay period (evidence would need to be received in HR before the 2<sup>nd</sup> Wednesday of August), it is possible the lane change may be considered at the August Board meeting rather than October, in which case an approved lane adjustment could be included in the first paycheck.</p> <p><b><u>Guidelines for Eligible Coursework</u></b></p> <p>Criteria for approved coursework to be eligible for lane advancement include:</p> <ol style="list-style-type: none"> <li>1. Course content is considered job related/relevant as approved in advance by the supervisor.</li> <li>2. Course credit is graduate level.</li> <li>3. Course credit is awarded by an accredited college or university as verified by HR</li> <li>4. Online coursework meets the requirement for regular and substantive instructor-student interaction. As an exception, correspondence/ self-paced courses through third-party private providers (such as VESI, Siedow Teacher Education, etc.) may be accepted up to a maximum of 6 credit hours.</li> <li>5. Online graduate credit taken through in-state providers (AEA PD Online, Drake, Morningside, etc.), where instruction requires some form of regular interaction, may be eligible on an unlimited basis when taken directly through the credit-granting institution (and not through third-party providers).</li> <li>6. The lane change request meets provisions of the Master Contract as approved by HR. Employees may advance up to one lane per year.</li> </ol>

## Salary Lane Change – Leave Guidelines

SITUATION	ACTION
<p><i>Professional leave days used for coursework towards salary lane change.</i></p>	<p>When <u>professional leave days</u> are used for a course, coursework is <u>eligible</u> for salary schedule advancement (full-time staff receive up to 3 professional leave days each year; unused days may carry over to a maximum total of 5 days in one year).</p>
<p><i>Professional leave monies used for coursework toward salary lane change.</i></p>	<p>In addition to utilizing professional leave days, <u>professional leave monies</u> may be used to reimburse course tuition. Coursework paid with professional leave monies, however, is <u>not eligible</u> for salary schedule advancement. Some conferences provide an option to receive course credit. The conference registration fee may be paid with professional leave monies if the registration fee is separate from the course tuition.</p>
<p><i>Coursework taken on Agency time outside of professional leave days.</i></p>	<p><u>Coursework taken on Agency time</u> (outside of professional leave days) is <u>not eligible</u> for salary schedule advancement. If professional leave days are not available or the staff member does not wish to utilize professional leave days, staff members may submit a calendar change request to their supervisor in order to attend courses on non-work days so the course may be eligible for salary schedule advancement purposes.</p>
<p><i>Agency-directed Activities (when employee wants to earn credit for salary purposes.)</i></p>	<p>Coursework taken during <u>Agency-directed activities</u> may be <u>eligible</u> for salary schedule advancement <u>if the staff member</u> a) uses professional leave days, b) elects not to be paid for the time and instead uses non-work days, or c) uses some combination of professional leave and non-work days.</p> <p>Eligible expenses related to the activity (such as lodging, mileage, meals, etc) would be paid by the Agency, since the Agency is directing the staff member to attend. In these situations, a professional leave request form is submitted to request professional leave days to be used (no expenses to be paid with professional leave monies) and an Agency-Directed Travel Request form is completed for the Agency expenses to be paid (lodging, mileage, etc.). For non-work days, the supervisor is to note on the Agency-Directed form that per diem payment (salary) is not approved.</p>
<p><i>Coursework taken during TQ activity.</i></p>	<p>Coursework taken during an approved TQ activity may be eligible for salary schedule advancement if no TQ monies are used for course tuition and the staff member is not paid a TQ stipend for the activity. TQ conference registration fees may be paid with TQ dollars if the fee is separate from course tuition.</p>

## Supplies

SITUATION	A C T I O N
<i>When ordering instructional supplies for employees assigned to regions</i>	The purchase of instructional supplies for region employees has been centralized. Please refer to purchase order section of this manual.
<i>When ordering office supplies</i>	<p>In-house paper supplies consisting of envelopes, forms, paper, and pads are ordered through Creative Services online ordering system.</p> <p>Office supply needs that are not available through Creative Services can be met in these ways:</p> <ul style="list-style-type: none"> <li>• Office supplies are to be purchased through the state-wide co-op vendor (Quill). Administrative assistants enter orders via the vendor's system. When supplies are delivered, the mail/receiving clerk notifies the administrative assistant that the supplies have been received and are in the mailroom for pickup.</li> </ul> <p>The administrative assistant compares the packing slip from the box with the copy of the order that was placed to verify if all items were received. If all items received, the copy of the packing slip and the copy of the order should be sent to the accounts payable technician for payment.</p> <p>If it is a partial order, the administrative assistant makes note of which items were received or backordered on the packing slip. The packing slips and a copy of the order are sent to the accounts payable technician in the business services office.</p> <ul style="list-style-type: none"> <li>• Employees may purchase office supplies by following the purchase order process found in this manual.</li> <li>• If there is not adequate time to process a computerized purchase order and the expenditure is under \$50, employees may seek <u>prior</u> approval from their supervisor to make a cash purchase up to \$50 (excluding food). The employee may then seek reimbursement on the online claims reimbursement system and submit a receipt. (See "reimbursement claims system" in this manual.)</li> </ul>

## Temporary / Substitute Employees

SITUATION	ACTION
<p><i>When a supervisor wishes to hire a temporary/substitute employee</i></p>	<ul style="list-style-type: none"> <li>• A <a href="#">Request to Hire a Temporary/Substitute form</a> is available from the Agency’s website. The form is to be completed by the supervisor and submitted to the appropriate Director of Teaching &amp; Learning or Associate Chief Administrator, as applicable.</li> <li>• Upon appropriate Director of Teaching &amp; Learning or Associate Chief Administrator approval, the supervisor may proceed in hiring a temporary/substitute employee. The supervisor may either post/advertise the position or may consider an existing pool of potential candidates without posting/advertising.</li> <li>• Temporary/substitute employees must meet the minimum qualifications of the position, including a valid license as applicable.</li> <li>• Temporary/substitute employment is subject to a satisfactory background report for all positions that provide direct service to children/students. Before the temp/sub provides service, the supervisor is to submit to the HR office a request for a background report to be completed.</li> <li>• Temporary/substitute employees projected to work 10 days or more are to be presented to the Board for approval. The HR Office obtains pertinent information for Board presentation from the Request to Hire a Temporary/Substitute form.</li> <li>• Temporary/substitute pay for classified and contracted positions is calculated at Step 1 of the appropriate Lane or Classification if approved by Board, otherwise paid at the current substitute system rate.</li> <li>• Temporary/substitute pay for former employees is set at either the per diem/ hourly rate held at the time of separation of employment or at Step 1 of the current Lane or Classification, whichever is higher. If the temporary/substitute is projected to work more than 19 days, an additional amount will be paid based on the salary/wage increase of the relevant employee group, up to a maximum total increase of 3%.</li> <li>• The required employment/payroll forms (State W-4, Federal W-4, I-9) are generally sent by the HR Office to the temp sub employee following Board approval.</li> <li>• The supervisor or supervisor’s administrative assistant is to provide the employee with GWAEA paper timesheets. Hours worked by the employee are to be recorded on the timesheets and submitted to the supervisor for approval when hours are worked. (See payroll section for further information regarding timesheets.)</li> <li>• Temporary/substitute employees are not to work more than 90 days in the same position for contracted positions and 600 hours total for hourly positions.</li> </ul>

## Training, Mandated

SITUATION	ACTION
<i>When employees are required to complete mandated training</i>	<p>Employees are informed upon hire of the trainings that are required for their position. All new hires are required to complete the Bloodborne Pathogens, Standard Operating Procedures, and Right to Know training within their first 10 days of employment. Those positions providing direct student services also require the Mandatory Reporter – Child Abuse, Mandatory Reporter – Dependent Adult Abuse, Overview of Seclusion &amp; Restraint, ACES, and Suicide Prevention/Postvention within the first 10 days of employment.</p> <p>These trainings are available online through the AEA PD Online Training System. Instructions for accessing the trainings are provided at orientation or are available from the Professional Development office, (ext. 6771).</p> <p>The Professional Development office issues reminders for updating trainings when required.</p>

## Vending Machines

SITUATION	ACTION
<i>When money is lost in a vending machine, or a vending machine is not working properly</i>	<p>The receptionist is not able to give reimbursement of money lost in vending machines. Information for a refund is available on the machine or at the front desk. The vendor will respond in a timely manner.</p> <p>Southern Facility – See an administrative assistant in the office.</p>
<i>When needing change</i>	<p>Vending machines are capable of giving change in various amounts. Agency offices do not keep extra cash on hand for making change.</p> <p>Most of the machines also have a credit card option.</p>

## Worker Compensation

SITUATION	ACTION
<p><i>When an employee is injured while working</i></p>	<p>Immediately notify your supervisor and contact the EMC OnCall Nurse at 1-844-322-4668 to report the injury and explain the circumstances surrounding it (the nurse hotline is available 24 hours daily).</p> <p>Follow medical attention as directed by the OnCall Nurse. The nurse will provide self-care instructions or a referral to a health care provider. The OnCall Nurse will complete the necessary reporting for the employee, agency and insurance carrier.</p> <p>*Note: If the injury requires emergency medical attention, call 911. When safe to do so, the employee should call the OnCall Nurse to report the injury. If the employee is unable to call, the supervisor should call the OnCall Nurse to report the injury.</p> <p>While the Agency does not have a company doctor or facility that employees are required to see, the carrier advises employees go to an occupational health clinic for evaluation to facilitate timely communication and processing of claims. Notify the health care provider that the condition is work related. Area clinics include:</p> <p>St. Luke's Work Well Clinic 830 1 st Ave NE Cedar Rapids, IA 52402 Phone: (319) 369-7173</p> <p>MercyCare Occupational Health at Prairie Creek 777 76 th Ave Dr SW Cedar Rapids, IA 52404 Phone: (319) 558-0342</p> <p>Mercy Iowa City Occupational Health 269 N 1 st Ave Iowa City, IA 52245 Phone: (319) 339-3921</p> <p>Worker compensation claims are subject to approval/denial after the carrier conducts an investigation.</p> <p>Denied worker compensation claims may be submitted to the employee's health insurance carrier for payment.</p>
