Van Delivery and Materials Distribution

Grant Wood Area Education Agency (Grant Wood AEA) provides delivery to each public and accredited nonpublic building in the Agency's seven county service area. Deliveries can include, among other things, Grant Wood AEA communications, Media Center resources, Creative Services printing and inter-district correspondence.

Delivery Details

Deliveries during the school year are made twice weekly to each building in a district on either Monday and Thursday or Tuesday and Friday. Delivery to the Cedar Rapids Community School District warehouse is daily, they in-turn deliver to their buildings.

Important: Please note that sensitive documents such as student records should be sent using the U.S. mail to ensure privacy and timely delivery.

Each building has one location where van delivery is picked up and dropped off. All items should be addressed properly to ensure delivery to the correct person, building and district. Mail that is not addressed correctly will be sent to the district administration office. We do not hold any mail.
